

Neighborhood Watch Signs

Due to budget cuts the City of Colorado Springs is no longer able to provide Neighborhood Watch Signs. The following is a quote from our previous sign vendor for Neighborhood Watch signs, hardware, and installation if you should decide to pursue signs on your own. You are welcome to go through any vendor. This quote is from the *Sign Shop*, cost from other vendors may be different.

Sign Shop Quote:

- ⇒ Neighborhood Watch sign 24"x18", reflective on .080 aluminum @ \$48.99
- ⇒ 10' Telspar breakaway kit, includes post/sleeve and hardware @ \$89.98
- ⇒ Installation on City of Colorado Springs Property @ \$75.00

Total each Sign (without tax) \$213.97

There are City Codes that must be adhered to when installing street signs on Public Property and City Streets. Signs may be installed on some private drives and private properties at the owner's discretion.

The regulations regarding sign installation are located in:

Chapter 7, Article 4 Chapter 4 of the City Code.
