All Respondents

SUBJ: R09-028SP: Airport Fleet Improvements, **Updated for items 6a, 6b, 7b**

Thank you for your recent response to the subject RFP. Six proposals were received as indicated below in alphabetical order:

1. Layton Truck Equipment Co.
2. Macdonald Equipment Company
3. McCandless Truck Center, LLC
4. Myslik Inc.
5. OJ Watson Equipment
6. Transwest Trucks

A selection committee evaluated all equipment proposals in accordance with the criteria set forth in the RFP (not all vendors proposed on each piece of equipment, therefore the proposals were evaluated on a per piece of equipment basis). On the basis of these proposals, it is the City's intent to enter into final award negotiations with the following vendors for the following equipment:

<u>Equipment</u>	<u>Vendor Selected</u>
Phase I:	
Item 1 – (3) Tracking Tow Runway Brooms	OJ Watson
Item 2 – (3) Root ASR 24' Runway Plows	Myslik
Item 3 – (1) High Speed Runway Blower	OJ Watson
Item 4a – (1) 10' Swenson EV200 Aviation Spreader	Myslik
Item 4b – (1) 14' Swenson EV200 Aviation Spreader	Myslik
Phase II:	
Item 5 - (1) Tracking Tow Runway Brooms	OJ Watson
Item 6a – 4x4 Plow Truck	McCandless Truck Center
Item 6b – Dump Body	McCandless Truck Center
Item 7a - (1) Root ASR 24' Runway Plows	Myslik
Item 7b – 12' Plow Blade	OJ Watson

It should be noted that if a mutual contractual agreement cannot be reached the City reserves the right to enter into negotiations with the next highest ranked firm and so on.

If you are interested, you may schedule a debriefing on the selection process as well as discussion of the strengths and weaknesses of your proposal once a contract has been executed. We sincerely appreciate your interest in proposing on City of Colorado Springs projects and we look forward to your interest in the future. If you have any further questions, you may call me at 385-5264.

Sincerely,

Cheryl Rea, Senior Contracting Specialist
City of Colorado Springs Contracting Division
