

CITY OF COLORADO SPRINGS

INVITATION FOR BID (IFB)

The City of Colorado Springs is accepting sealed bids at the City Contracts Office, 30 South Nevada Ave., Suite 201, Colorado Springs, Colorado, for the following project:

SOLICITATION NUMBER: B09-103 LJ

PROJECT TYPE: **VARIOUS TRAFFIC VIDEO ENCODER/DECODER EQUIPMENT**
MATERIALS/SUPPLIES

UNIT: **PUBLIC WORKS/TRAFFIC ENGINEERING**

DESCRIPTION: [Digital Video Encoder Solution Overview](#)
The network can transport video NTSC signals as well as low speed data traffic over IP networks such as Gigabit Ethernet, Wireless Ethernet, SONET, ATM and xDSL. With the use of the Ethernet Network, the solution will take advantage of the resilience and flexibility offered by these backbone technologies. The products must be available as stand-alone units and in high-density rack mountable chassis enclosures to address different requirements of each specific location. The solution must offer a wide range of enclosure and LAN interface variants that best suit the wide range of applications and port density of this application.

The video signal must use H.264 AND MPEG-2 standard compression technology simultaneously and transport the signal over an Ethernet LAN network at an adjustable bit rate. A comprehensive integrated network management interface must be provided to control, configure and diagnose faults from any location on the IP Video network.

BID DOCUMENT FEE \$ **None**

PRE-BID MEETING **None Scheduled**

TENTATIVE BID DATE/TIME: **TUESDAY, NOVEMBER 10, 2009, 2:00 P.M.**

Note: The actual bidding documents will take precedence if there is a conflict between the time and date stated in this advertisement and bidding documents.
